## *Introduction from the President of CPJC*

On behalf of the Canadian Prairie Jaguar Club (CPJC), Jaguar car enthusiasts and our associate Jaguar car clubs in Canada and the USA, we welcome your interest in advertising with our club. We are a member of the Jaguar Clubs of North America (JCNA) that has one of the largest Jaguar Car club memberships in the world.

CPJC encourages strongly the exchange of information, skills, services and contacts that will allow our club members to gain knowledge about and enjoy their Jaguar cars to the fullest. An Advertiser with us is a key contributor to this goal by providing specific information on their business offering to the current and next generation of Jaguar car enthusiasts.

CPJC is a new club that is into its fourth year of operation with a growing membership of about 45 persons that are located in Alberta, Saskatchewan and parts of BC.

We would be delighted to have you advertise in our quarterly newsletter and website that are viewed by both classic and contemporary Jaguar car owners. Your advertisements will reach dedicated, enthusiastic Jaguar club members. You will be connected to and be part of an important car owner community that is keenly interested in keeping their valued cars driving and in top condition.

Please consider advertising with CPJC. Together we will work to keep alive the enthusiasm and excitement of driving and sharing with members, fellow automobile lovers and the public our passion for some of the most beautiful cars ever manufactured.

Help us keep Jaguars alive and well. We look forward to your support!
